

Olympic House - IOC Headquarters

- Project name: Olympic House - IOC Headquarters
- Location: Lausanne, Lake Geneva, CH
- Project value: Over 750.000 CHF
- Duration: 8 Months (2018)
- Client: FRENER & REIFER
- Architect: 3XN Architects

Description:

Located on the banks of Lake Geneva in Lausanne, Switzerland close to Château de Vidy, the iconic home of International Olympic Committee. The main highlight of the project is the three storey dynamic, undulating double façade that will make the building appear different from all angles

Skyklass was responsible with the installation of the following:

- Exterior facade: 3,100 m²,
- Inclined and twisted SGSS curtain wall in bespoke construction method and consisting of approx. 582 glass sheets.
- Roof Copings
